

MIDDLESEX COUNTY JOINT HEALTH INSURANCE FUND

HORIZON OMNIA HEALTH PLAN

The Middlesex County Joint Health Insurance Fund (MCJHIF) is pleased to introduce a lower cost health insurance option available January 1, 2017. This option will be offered during Open Enrollment in conjunction with the medical plans currently offered.

Please note several items when reviewing the OMNIA plan as detailed in the summary to follow:

- Referrals from a Primary Care Provider (PCP) are not required prior to obtaining care from a Specialist;
- OMNIA is a Two-Tiered network plan;
- Tier 1 refers to specific Horizon doctors, hospitals and other healthcare professionals;
- Tier 2 refers to all other providers' participating in the Horizon network. Higher cost sharing is required for members accessing Tier 2 providers;
- By following the link to the Horizon physician locator in the plan summary, members will be able to determine what providers are Tier 1 and Tier 2;
- There is no out of network coverage under the OMNIA plan;
- All OMNIA members however will be part of the Blue Card program. Under Blue Card, members visiting any provider participating in a Blue Cross or Blue Shield network across the County will receive eligible benefits at the Tier 2 level;

Detailed on the pages to follow is a summary of the OMNIA plan. The OMNIA plan offered with tiered-network plans, you have the flexibility to visit high-quality practitioners in the carrier's managed care network, with no referrals required based on two "tiers":

Tier 1 has lower out of pocket costs and refers to specific doctors, hospitals, and other healthcare professionals who offer high-quality, cost-effective care;

Tier 2 refers to providers included in the managed care network, but with slightly higher cost sharing.

HERE IS NO OUT-OF-NETWORK COVERAGE WITH THE HORIZON OMNIA PLAN

You can find Tier 1 and Tier 2 providers with the Doctor and Hospital finder at <http://doctorfinder.horizonblue.com/>
